Dear Friends and Family,

Merry 2007 Christmas from Prague, Czechoslovakia!

January moonset from our Bend living room.

Hope this New Year finds you happy and healthy. We have spent a good year, as you see from John's photos that track monthly escapades—mostly in and around Bend, Oregon.

John dressed for May skiing the last day of ski season.

Our big accomplishment this year was selling our Olympia House. John had lived there since 1976, and it was hard to leave all the wonderful memories (and to move all the stuff!)

In August, the last day at 3605 Overhulse Rd.

Other news is that we took up a new sport – golf! How did it happen? We bought the lot adjoining ours and it came with a golf membership at Tetherow (which *Golf Digest* named "Best New Golf Course" of 2008). So golfers now have an extra reason to visit us!

Please accept our best wishes for this New Year. And please come visit us. We love showing people around – you see from these photos how beautiful Bend and the Pacific Northwest are. And please note our NEW ADDRESS:
