## WSRA Conference 31

### Get Involved In Recycling

One of the oldest and strongest state recycling organizations in the U.S., the Washington State Recycling Association (WSRA), leads the recycling industry forward through advanced education, legislative forums, public awareness campaigns and most importantly, professional development for its members.

If you are an undergraduate or graduate student enrolled in a college, university, or trade school, and you are at least 18 years old, you are eligible to submit an application to win a scholarship to attend the 31<sup>st</sup> Annual WSRA Conference & Trade Show held in Pasco, Washington May 22-25, 2011.

This scholarship will include full registration that will entitle you to attend educational sessions, workshops, entrance to the exhibit hall, tours of recycling facilities, social events, meals and the WSRA Annual Awards Banquet.

The mission of the WSRA is to provide leadership and education to foster the expansion, diversity and economic vitality of recycling as part of sustainable resource management.
