OCEANS CAMPUS PRESENTS UMKHONDO BIG-5 VOLUNTEER PROGRAM

A REWARDING WILDLIFE CONSERVATION PROGRAM IN SOUTH AFRICA

Tracking Africa's Big 5

HANDS ON EXPERIENCE WITH 'AFRICA'S BIG FIVE'

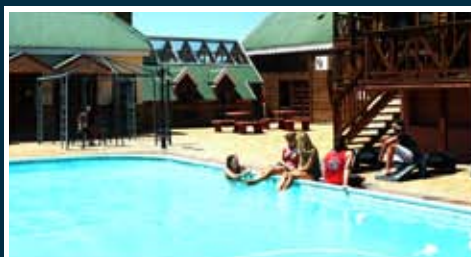

This program offers volunteers an absolutely incomparable hands on experience in working with Africa's world famous "Big-Five" animals - The Lion; African Elephant; Cape Buffalo; Leopard; Rhinoceros, as well as a multitude of Africa's wildlife, all within a malaria-free, private game reserve. Volunteers will become crucial team members of the dedicated rangers and conservation units running the renowned Garden Route Game Lodge in the heart of Africa

Helping with our captive breeding

LEARN HOW TO MANAGE AND CONSERVE AFRICAN WILDLIFE

You will learn numerous facets of running a game reserve, leaving here with skills that will open up a huge diversity of opportunities within the wildlife industry. Come and make memories that will last you a lifetime. More importantly this program allows you to contribute to returning a portion of African land back to its original state - an African savannah teeming with wildlife.
