Summary: The Pacific Northwest Salmon Center is home of the Hood Canal Salmon Enhancement Group one of 14 regional fisheries enhancement groups in the state of Washington. Its mission is to protect and restore Wild Salmon ecosystems in the Hood Canal Watershed through restoration, research, education and stewardship. More information available at www.pnwsalmoncenter.org.

The seven Puget Sound Regional Fisheries Enhancement Groups (RFEs) recognize that wild salmon populations cannot survive without a healthy Puget Sound, and are committed to nourishing conscious communities that are advocates for and stewards of their part of the Salish Sea. The Citizen Action Training School is a 12 week training program in watershed and Puget Sound ecology, with an added focus on civic engagement in the legal and regulatory processes that affect resource management.
