

# Internship

**Position Title:** Media Intern  
**Dates Available:** April 2014 – June 2014  
**Deadline:** Open until filled; submit applications as soon as possible

**Summary:** The Hood Canal Salmon Enhancement Group (HCSEG) is one of 14 regional fisheries enhancement groups in the state of Washington. Its mission is to protect and restore Wild Salmon ecosystems in the Hood Canal Watershed through restoration, research, education and stewardship. More information available at [www.hcseg.org](http://www.hcseg.org)

This position primarily involves producing videos highlighting various HCSEG projects, from our steelhead trapping project to our habitat restoration activities. Intern(s) will work with HCSEG staff to collect footage, and will then compile and edit footage into short films for HCSEG use.

## Eligibility:

- Open to college students pursuing degree in multimedia, natural resources, or related field
- Must have a valid state driver's license
- Must pass a background check

## Terms of Employment:

Project Duration – April – June 2014 (can be extended if interested)  
Start Date – ASAP  
Hours per week – Negotiable, based on credit (Unpaid)

## Responsibilities/Tasks:

- Collect footage of various HCSEG field projects
- Compile and edit footage into short films for HCSEG use
- Transport volunteers to field locations and guide them in sampling procedures

## Desirable Skills/Qualifications:

- Experience using video equipment and editing software
- Able to work in adverse weather conditions

**To Apply:** Please submit a letter of interest, a current resume, and an unofficial transcript to Seth Elsen at [seth@pnwsalmoncenter.org](mailto:seth@pnwsalmoncenter.org) ASAP.
