

The Dandelion Seed Collective
Spring Herbal Medicine Workshop Series

Growing Medicinal Herbs in the Pacific Northwest

Taught by Ingrid Abbot and Claire Ethier

This workshop is an introduction to cultivating medicinal plants in our unique bioregion. Claire and Ingrid from Roseroot Herbes will share tips, ideas, and resources for establishing and maintaining a medicine garden. Plus free seeds!

Saturday May 3rd from 2:00-4:00

\$20 to benefit the Olympia Free Herb Clinic

Held at the Ecohouse at Fertile Ground

911 Adams St, SE Olympia
