

EYE ON

NATURE

WANT TO HELP KIDS  
EXPERIENCE NATURE?

Come volunteer  
with the Eye on Nature  
program and help  
kids to experience the

## Billy Frank Jr. Nisqually National Wildlife Refuge

- Help students connect with a citizen science project
- Learn and teach ethnobotany
- Share your love of the outdoors with the next generation
- 3rd through 8th graders, 14 field trips reaching over 700 students from April to June

Join us for a training session and learn how you can be part of the experience!

**March 31, 2020 9 am – 2 pm**
